1. LISTEN TO THE MUSIC

VERSE 1

Don't you feel it growing, day by day
People getting ready for the news
Some are happy, some are sad
Oh, we got to let the music play
What the people need
Is a way to make 'em smile
It ain't so hard to do if you know how
Gotta get a message
Get it on through
Oh we got to let the music play

CHORUS

Whoa listen to the music
Whoa listen to the music
Whoa listen to the music
All the time

VERSE 2

Well I know, you know better
Everything I say
Meet me in the country for the day
We'll be happy
And we'll dance
Oh, we're gonna dance our blues away
Well if your feeling good today
And your ready for some news
Listen to words we have to say
Feeling good, feeling fine
Oh we got to let the music play

CHORUS

VERSE 3

Like a lazy river flowing
Surrounding mountains in the sky
And the crowd is growing bigger
Listening for the happy sounds
It's time to let it fly

CHORUS 2 X

2. IN OR OUT

VERSE 1

He made the sea and formed the sky.
He created me and the birds that fly.
He made the way for all to see.
That only He can set us free.

CHORUS

So I will sing about His love.
And I will think about the things He does.
I will shout it from the mountaintops.
About His love and the things He does.

VERSE 2

There is no way that we can be
Saved from our sin for eternity.
Without the gift that Jesus gave.
When He dies, and rose up from the grave.

CHORUS

So I will sing about His love.
And I will think about the things He does.
I will shout it from the mountaintops.
About His love and the things He does.
About His love and the things He does.

3. BRAVE

VERSE 1

I take my little light, everything's all right,
but what is it for?

We were meant to shine so others see,
what could be in store

A life that's full, filled with hope
and joy cuz my future's secure
As I look around I know its time,
I've gotta let my little light shine

VERSE 2

It's the little things, we do or say,
that make someone's day
We can show His love in the things we do,
when we step out of the grey
God wants to use you, to make a
difference for Him Today
But If we don't look up and take it all in,
the chance might just slip away

CHORUS

I want to be Brave, Brave for You
And Shine, so they see you're the Truth
I don't have the words, but I know you do
I want to be Brave, Brave for You

VERSE 3

He will use the love you give away,
without a word to say
maybe there is more to this crazy world,
than livin' just for Today
We don't have to worry, if he's alive in us
we'll know what to say
He knows their hearts and what needs to be said,
just step out of the way

VERSE 4

God so loved the whole world,
that He gave his only Son
We only have one chance to live this life,
We've got to share this love that saved us

CHORUS

4. FRIEND OF GOD

CHORUS

I am a friend of God
I am a friend of God
I am a friend of God
He calls me friend

VERSE 1

Who am I that You are mindful of me
That You hear me when I call
Is it true that You are thinking of me
How You Love me
It's Amazing

CHORUS 2 X

VERSE 1

Who am I that You are mindful of me
That You hear me when I call
Is it true that You are thinking of me
How You Love me
It's Amazing

CHORUS 2 X

ENDING

God Almighty, Lord of Glory, You have called me
friend
God Almighty, Lord of Glory, You have called me
friend

5. PARADISE

VERSE 1

When the last grain of sand slips through the hour
glass

Will the faith that you hold to give you a pass
Or will you wish for more than you have

CHORUS

Will you walk the way that's worthy til the end of life
Paradise, oh paradise
Will you walk the streets of gold on the other side

VERSE 2

When the sun on the horizon drops out of sight
And your eyes will close shutting out the light
Do you have eternal hope for the other side
Are you sure that Jesus saved your soul

CHORUS

Paradise, oh paradise
Will you walk the way that's worthy til the end of life
Paradise, oh paradise
Will you walk the streets of gold on the other side

Change my life and make it new
And help me, Lord, to live for You

7. GOD BLESS THE USA

2 Chronicles 7:14*

VERSE 1

If tomorrow all the things were gone

Cause the flag still stands for freedom
And they can't take that away

Where at least I know I'm free

Cause there ain't no doubt I love this land
God bless the USA

VERSE 2

From the lakes of Minnesota
To the hills of Tennessee
Across the plains of Texas
From sea to shining sea

And its time we stand and say

CHORUS 2 X

but with every breath you'll never be alone
This broken world is full of hurt and pain,

For what is seen is temporary,
but what's not is eternal

CHORUS

VERSE 2

Do not lose heart for your troubles,
are small and they won't last very long
Compared to the eternal glory,
that far out weighs them all
So fix your eyes, on things above For what is seen is
temporary, but what's not is eternal

CHORUS

12. BONUS TRACK HARVEST OF THE FATHER

James 5: 7-10

VERSE 1

The Spirit's fruits are many, there's love and joy and
peace
But patience Father seems to be the one I have the
least.
Your blessings are abundant; the joy you bring is
great.
I know You'll give me patience if only I could wait.

CHORUS

There's a time to do the sowing. And a time to watch it
grow.
Be patient like a farmer who waits for autumn's glow.
Now you be patient also and establish your heart.
For the harvest of the Father and the coming of the
Son.

VERSE 2

The prophets in the Word of God knew what it meant
to wait.
Sometimes they suffered greatly sometimes it meant
their fate.
So when you pray for patience and an answer isn't
there.
Be thankful to the Father - He's answering your
prayer.

REPEAT CHORUS

VERSE 3

The Harvest is upon us. The Judge is at the door.
It's time to pray and work not play. Revival is in store.
So live the life according, to what the good Book says.
Our days on earth are numbered. It's time to LIVE
FOR HIM!

REPEAT CHORUS
