## PERSONAL relationship with God?

I don't have a personal relationship with God

I would like a personal relationship with God

I have a personal relationship with God

If you have asked Jesus to come into your life, you have a personal relationship with Him and are no longer separated from God!

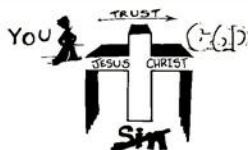

If you're not sure, you can make sure now! You can begin your personal relationship with God by receiving Jesus Christ into your heart.

You can express your faith (trust) through prayer. Prayer is simply talking to God. He knows what you mean even when it is hard to say it. You can use the words that follow, or some of your own...just talk to Him!

*"Dear God, I know that my sin has separated me from you. Thank you that Jesus Christ died in my place and rose again to be my Savior. I turn from my sin and trust Jesus to forgive me. Come into my life and lead me. Thank you for giving me a relationship with You forever. In Jesus' name. Amen."*

Once you say this to God, and mean it, Jesus promises to come into your life, to forgive your sin, and to begin a new lifelong relationship with you.

Your **TRUST** in Jesus Christ begins a lifelong relationship!

*So what's next?*

Here are four key areas for you to concentrate on while taking your first steps in your new relationship with God.

Go to God daily in prayer.

Prayer is the means by which we can talk to God and hear from Him. Talk to Him like you would talk to a friend - tell Him what you are feeling!

Read the Bible every day.

The Bible is God's instruction manual to you for getting the best out of life. It's kind of like His love letters to you! We encourage you to read the Bible every day and to memorize parts of the Bible so the verses sink deep into your heart and become more and more a part of your life.

Obey God moment by moment.

In the time it takes to snap your fingers, you can choose to obey or disobey work on thinking and acting God's way every moment!
